Items Referred

- 06493** Creating Section 3.35(8)(g) of the Madison General Ordinances to establish limitations on political and campaign activities of election employees.
- 06928** Recommendation that there be no change to current poll worker requirements.
Proposal submitted by Warren Onken.
- 06929** Proposal that Clerk will review EB-1 filings from candidates for Common Council, Mayor, and School Board. All names (approximately 50 to 100 per year) appearing on the forms will be compared to the pollworker list. Pollworker coordinator will not assign them to work in the specific district of interest; or in the case of a citywide candidate, will not assign them anywhere. This will be in effect only for that election and the primary. In addition, the candidates will receive a notice advising them of the policy. Similar methods can be used for elected officials, referendums, and recalls.
Proposal submitted by Paul Malischke.

4. **06927** Proposal that only full time workers handle all candidate election issues.
Proposal submitted by Warren Onken.

5. **06924** City Clerk's Office Policy regarding an Oath of Office for all Election Workers.
Proposal submitted by City Clerk.

6. **06926** Proposed policy that full-time City Clerk staff be prohibited from engaging in working on campaigns for city elected officials. If they wished to do so, they could request a leave of absence during the campaign or to be temporarily reassigned to another city agency.
Proposal submitted by Valerie Brown.

7. **06925** Internal policies instead of ordinance change (assignment of poll workers, full-time employees on candidate election issues).

8. **06923** Committee Report to the Common Council on Ordinance 06493.
